PROFESSIONAL SUMMARY

Senior Frontend Developer with 5+ years of React.js expertise, specializing in TypeScript, performance optimization, and enterprise application development. Proven track record of improving application performance by 40% and building scalable solutions for 100,000+ users. Experience leading development teams and building logistics solutions.

CORE TECHNICAL SKILLS

Frontend: React.js, TypeScript, JavaScript (ES6+), Next.js, HTML5, CSS3

State Management: Redux, Context API, MobX, Advanced React Hooks

UI/UX: Tailwind CSS, Chakra UI, Responsive Design, Accessibility (WCAG)

API & Backend: REST APIs, GraphQL, Java, Spring Boot, Microservices

Testing & Tools: Jest, React Testing Library, Git, Docker, CI/CD, Webpack, Vite

Databases: MySQL, PostgreSQL, MongoDB, Redis

PROFESSIONAL EXPERIENCE

Software Engineer (Senior Frontend) | **Sterling Bank Plc** | July 2023 - Present

- Architected enterprise banking applications serving 100,000+ users with advanced React.js and TypeScript
- Reduced application load times by 35% through code splitting and performance optimization
- Implemented secure authentication systems (JWT, OAuth2) with XSS/CSRF protection
- Achieved 90% code coverage with comprehensive testing protocols using Jest and React Testing Library

Team Lead | **Tripvalue** | 2022 - 2023 (*Building Logistics Solutions*)

- Led development team in creating comprehensive logistics management solutions
- Architected scalable frontend systems for supply chain and logistics operations
- Mentored team members on React best practices and modern development workflows

Frontend Developer | **Aid me** | October 2021 - June 2023

- Built reusable component library reducing development time by 25%
- Implemented Redux for complex state management across multiple modules
- Achieved 15% performance improvement through virtual DOM optimization

Frontend Developer | **Aglow Digital**s | October 2021 - December 2022

- Increased website performance by 40% through advanced React optimization techniques
- Developed scalable component architecture resulting in 30% business growth
- Integrated modern build tools and implemented A/B testing strategies

Frontend Developer | Aid me | February 2020 - October 2021

- Developed responsive React.js applications with component-based architecture
- Implemented comprehensive testing strategies and accessibility standards

KEY ACHIEVEMENTS

- **Performance Expert:** Reduced load times by up to 40% through advanced optimization
- **Security Implementation:** Successfully deployed XSS/CSRF protection across enterprise apps
- **Testing Excellence:** Achieved 90% code coverage with comprehensive async testing
- **API Integration:** Integrated 15+ real-world APIs with robust error handling
- **Accessibility Champion:** Improved accessibility scores by 40% with WCAG compliance

EDUCATION & CERTIFICATIONS

B.Sc. Public Administration (In Progress) - National Open University of Nigeria

Certifications: Project Management Professional (PMP), Advanced Web Development, SQL Database Management

Languages: English (Professional), French (Conversational)
